Through Triodos investment funds, the fund* invests in companies that aim to create impact in the field of the energy transition, renewable energy, sustainable agriculture, organic food and microfinance.

The fund also invests in listed sustainable equity, corporate and government bonds denominated in euros. The fund will also invest directly in a Triodos Foundation loan which aims at creating a regenerative, inclusive economy in emerging markets. The broadly diversified portfolio offers a combination of solid long-term financial results with good results in the areas of environment, nature, social policy and governance. Shares in the fund can be traded daily. The fund may be exposed to risks. Please refer to the prospectus and the KID for more detail.

**There are four different Triodos Impact Strategy Funds with different risk profiles available. The Dynamic profile has the highest risk.*
